2. How does this request fulfill our values of **equity, excellence, and engagement**? Please make reference to each value in your answer. **500 words total.**
 - o **Equity**

In Jeffco, not all students, staff, and families are starting from the same place nor do they need the same things to reach their fullest potential. We align our approach to equity with the district to ensure that our investments result in the greatest impact to those most in need. We strive to support educational experiences that are accessible and help students from all backgrounds feel a sense of welcoming and belonging.

- **Excellence**

In Jeffco, we aspire to be a world-class school district which requires us to inspire one another to make an impact, focus on solutions, maximize our partnerships, and hold ourselves accountable for successful outcomes for all students.

- **Engagement**

The Foundation works alongside the Jeffco Schools District, its staff, students, partners, and community to collaborate and move to action. Quality education is a right for every student, and community engagement and alignment is essential for providing that to our wide district.
