

Serving Kids is an ALL VOLUNTEER organization supported by Jefferson County Administrators Association (JCAA) and Jeffco Schools Foundation. The average cost to provide a week's worth of clothing to a Jeffco child is around \$8.00. Serving Kids relies on donations to be able to provide clothing for Jeffco Public Schools neediest students.

How Buying Groceries Helps Serving Kids?

King Soopers cards are \$5.00 each when initially purchased (Replacement for lost or damaged cards costs \$2.50). Once purchased, cardholders can "load and reload the card as needed" similar to a gift card. As supporters use the card for grocery or gas purchases, King Soopers tracks total purchases attached to cards. Once Serving Kids' total purchases reach or exceed \$5,000, the organization receives 5% (or \$250.00 minimum – or enough to cloth 32 kids!!!).
